Mrs. Homer Wolfe
Route 2, Box 70
Baxter Springs, Kansas 66713

Dear Mrs. Wolfe:

I apologize for taking so long to get the enclosed water sample results to you. I had intended for you to receive them immediately following our conversation in November. However, the letter was sent to an incorrect address and returned to us. If you have any questions on the analytical results, please contact me at (913) 236-2856 or at the letterhead address.

Sincerely yours,

Alice C. Fuerst
